

(b) On or before the 25th day after the end of the month each person who operated an other order plant that was regulated during such month under an order providing for individual-handler pooling shall pay to the market administrator an amount computed as follows:

(1) Determine the quantity of reconstituted skim milk in filled milk in route disposition from such plant in the marketing area which was allocated to Class I at such plant. If there is route disposition from such plant in marketing areas regulated by two or more marketwide pool orders, the reconstituted skim milk allocated to Class I shall be prorated to each order according to such route disposition in each marketing area; and

(2) Compute the value of the reconstituted skim milk assigned in paragraph (b)(1) of this section to route disposition in this marketing area by the difference between the Class I price under this part applicable at the location of the other order plant (but not to be less than the Class III price) and the Class III price.

§ 1007.72 Payments from the producer-settlement fund.

On or before the 13th day after the end of each month, the market administrator shall pay to each handler the amount, if any, by which the amount computed pursuant to § 1007.71(a)(2) exceeds the amount computed pursuant to § 1007.71(a)(1). If, at such time, the balance in the producer-settlement fund is insufficient to make all payments pursuant to this section, the market administrator shall reduce uniformly such payments and shall complete such payments as soon as the funds are available.

§ 1007.73 Payments to producers and to cooperative associations.

(a) Each handler shall pay each producer for producer milk for which payment is not made to a cooperative association pursuant to paragraph (b) of this section, as follows:

(1) On or before the 28th day of each month, for milk received during the first 15 days of the month from such

producer who has not discontinued delivery of milk to such handler before the 23rd day of the month at not less than the Class III price for the preceding month or 90 percent of the weighted average price for the preceding month, whichever is higher, less proper deductions authorized in writing by the producer. If the producer had discontinued shipping milk to such handler before the 25th day of any month, the applicable rate for making payments to such producer shall be the Class III price for the preceding month; and

(2) On or before the 15th day of the following month, an amount equal to not less than the uniform price, as adjusted pursuant to §§ 1007.74 and 1007.75, multiplied by the hundredweight of milk received from such producer during the month, subject to the following adjustments:

(i) Less payments made to such producer pursuant to paragraph (a)(1) of this section;

(ii) Less deductions for marketing services made pursuant to § 1007.86;

(iii) Plus or minus adjustments for errors made in previous payments made to such producers; and

(iv) Less proper deductions authorized in writing by such producer.

(3) If a handler has not received full payment from the market administrator pursuant to § 1007.72 by the 15th day of such month, such handler may reduce payments pursuant to this paragraph to producers on a pro rata basis but not by more than the amount of the underpayment. Such payments shall be completed thereafter not later than the date for making payments pursuant to this paragraph next following after receipt of the balance due from the market administrator.

(b) On or before the day prior to the dates specified in paragraph (a) (1) and (2) of this section, each handler shall make payment to the cooperative association for milk from producers who market their milk through the cooperative association and who have authorized the cooperative to collect such payments on their behalf an amount equal to the sum of the individual payments otherwise payable for such producer milk pursuant to paragraph (a) (1) and (2) of this section.

(c) If a handler has not received full payment from the market administrator pursuant to § 1007.72 by the 15th day of such month, such handler may reduce payments pursuant to paragraph (b) of this section to such cooperative association on a pro rata basis, prorating such underpayment to the volume of milk received from such cooperative association in proportion to the total milk received from producers by the handler, but not by more than the amount of the underpayment. Such payments shall be completed in the following manner:

(1) If the handler receives full payment from the market administrator by the 15th day of the month, the handler shall make payment to the cooperative association of the full value of the underpayment on the 15th day of the month;

(2) If the handler has not received full payment from the market administrator by the 15th day of the month, the handler shall make payment to the cooperative association of the full value of the underpayment on or before the date for making such payments pursuant to this paragraph next following after receipt of the balance due from the market administrator.

(d) Each handler pursuant to § 1007.9(a) who receives milk from a cooperative association as a handler pursuant to § 1007.9(c), including the milk of producers who are not members of such association, and who the market administrator determines have authorized such cooperative association to collect payment for their milk, shall pay such cooperative for such milk as follows:

(1) On or before the 25th day of the month for milk received during the first 15 days of the month, not less than the Class III price for the preceding month or 90 percent of the weighted average price for the preceding month, whichever is higher; and

(2) On or before the 14th day of the following month, not less than the uniform price as adjusted pursuant to §§ 1007.74 and 1007.75, and less any payments made pursuant to paragraph (d)(1) of this section.

(e) If a handler has not received full payment from the market administrator pursuant to § 1007.72 by the 14th

day of such month, such handler may reduce payments pursuant to paragraph (d) of this section to such cooperative association and complete such payments for milk received from such cooperative association in its capacity as a handler pursuant to § 1007.9(c), in the manner prescribed in paragraph (c) (1) and (2) of this section.

(f) In making payments to producers pursuant to this section, each handler shall furnish each producer, except a producer whose milk was received from a handler described in § 1007.9(c), a supporting statement in such form that it may be retained by the recipient which shall show:

(1) The month and identity of the producer;

(2) The daily and total pounds and the average butterfat content of producer milk;

(3) [Reserved]

(4) The minimum rate at which payment to the producer is required pursuant to this order;

(5) The rate used in making the payment if such rate is other than the applicable minimum rate;

(6) The amount, or rate per hundredweight, and nature of each deduction claimed by the handler; and

(7) The net amount of payment to such producer or cooperative association.

§ 1007.74 Butterfat differential.

For milk containing more or less than 3.5 percent butterfat, the uniform price shall be increased or decreased, respectively, for each one-tenth percent butterfat variation from 3.5 percent by a butterfat differential, rounded to the nearest one-tenth cent, which shall be 0.138 times the current month's butter price less 0.0028 times the preceding month's average pay price per hundredweight, at test, for manufacturing grade milk, in Minnesota and Wisconsin, using the "base month" series, adjusted pursuant to § 1007.51(a) through (e), as reported by the Department. The butter price means the simple average for the
